

# Hear The Sound

Jonny Grange & Nigel Briggs

We've come here to gather  
For You are our God  
Every heart in this place  
Lifting a song to Your name  
With angels lets sing  
All glory and honour  
Your power released in this place  
As we call on Your name

Because of Your Mercy  
Because of Your love  
Every heart in this place  
Can sing of Your wonder and grace  
You've given to us  
A reason for living  
With freedom and truth here today  
As we call on Your name
