

Hear The Sound (Capo3)

Jonny Grange & Nigel Briggs

We've come here to gather
For You are our God
Every heart in this place
Lifting a song to Your name
With angles lets sing
All glory and honour
Your power released in this place
As we call on Your name

Because of Your Mercy
Because of Your love
Every heart in this place
Can sing of Your wonder and grace
You've given to us
A reason for living
With freedom and truth here today
As we call on Your name
