## CAPO 3

**F**                    **C**  
I ask one thing of Jesus  
That with Him I may rest  
That He'd take me out, to the quiet place  
Down to the water's edge

I reach out to the river  
Be still and know He's God  
And I wait here in His presence  
He warms me with His love

**F**                    **C**  
Take me to the Father  
Take me to the Father  
Out upon the mountain

Stay here in the quiet place  
Know His righteousness

# The Road

Samuel Lane

---

**G**                      **Bm**                      **Em**

It's a long, and narrow road, I'm on my way  
With Your blood, for my soul, I'll be okay  
Hold me close, and keep me sure, that I won't fall  
To do Your will, and to be pure, I hear the call

**C**                      **G**                      **D**

Lead me on Your path Lord, lead me home  
Guide me through the valley, the narrow road  
Only You can save me, You broke the fall  
Your spirit like a fire, to my soul  
It's a long, and broken road, that leads to life  
The rain will come, the cold wind blow, I'll be alright  
So I will rise, for there is hope, in the risen Son  
To Your light, and to Your home, You lead me on

**G**                      **Bm**

For your fire, for your soul

**G**                      **Bm**

Jesus waits, Jesus calls
